#### INDEPENDENT AUDITORS' REPORT

### To the Board of Directors of

## FOOD FOR THE POOR OF CANADA, INC.

### **Report on the Financial Statements**

We have audited the accompanying financial statements of **FOOD FOR THE POOR OF CANADA**, **INC.** which comprise the Statement Of Financial Position as at December 31, 2014, and the Statements Of Operations And Changes In Net Assets and Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **FOOD FOR THE POOR OF CANADA, INC.** as at December 31, 2014, and its financial performance for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

### 1. PURPOSE OF THE ORGANIZATION AND INCOME TAX STATUS

Food for the Poor of Canada, Inc. ("FPC") was incorporated under the laws of Canada on January 8, 1991 and is registered as a charitable organization under the Income Tax Act (Canada). As such, it is exempt from income tax and may issue charitable tax receipts.

The organization is an interdenominational, Christian charity whose purpose is to alleviate poverty and offer hope and change to those in need in the Caribbean and Latin America. FPC works alongside an international relief and development agency in the United States and with established partners and charities in the region to distribute goods to churches and missionaries, hospitals, schools and community leaders that work directly with the poor. They also oversee and manage the construction of homes, water wells, schools, clinics and other funded projects.

### 2. SIGNIFICANT ACCOUNTING POLICIES

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the results of operations in the period in which they become known.

### **Revenue Recognition**

FPC follows the deferral method of accounting for contributions. Contributions are recognized as received or receivable if the amount to be collected can be reasonably estimated and collection is assured. Restricted contributions, such as donations made for specific projects, are recognized as revenues in the year in which the related expenses are incurred or activity takes place.

### **Donated Medical Aid and Education and Food Supplies**

FPC receives medicines, vaccines, and medical supplies from a registered Canadian charity. These items are distributed free of charge by the organization to people in need in the Caribbean and Latin America.

These donated supplies are recognized in the statement of operations and changes in net assets as contributions and expenses, based on the fair value of such supplies, as determined by donor organizations.

### **Volunteer Services**

Much of the work of FPC is dependent on voluntary services. Since these services are not normally purchased, and because of the difficulty in determining their fair value, such donated services are not recognized in the accounts.

The organization does not compensate members of the board of directors. Because of the difficulty in determining their fair value, such donated services are also not recognized in the accounts.

NOTES TO FINANCIAL STATEMENTS (continued) DECEMBER 31, 2014

### 3. RELATED PARTY

Food For The Poor, Inc., a US-based organization is related to FPC as certain officers of the organization are also directors of FPC. During the year, FPC received a total of \$60,000 in grants from Food For The Poor, Inc.

### 4. SALARY

50% of the salary expense of the Executive Director has been allocated to Program Expenses and 25% has been allocated to fundraising, with the remaining 25% being recognized as an administrative expense.

### 5. COMPARATIVE FIGURES

The comparative amounts presented in the financial statements have been restated to conform to the current year's presentation.
